

CHRISTIAN TOREN

Dr. Christian Toren von Lähr, Msc.D. is a Master Clairvoyant, with 5 decades of professional expertise in the esoteric arts and wisdom. He is distinguished as a Clairvoyant, and is in particular an expert on both the Nature Kingdoms, and the various spiritual realms of existence. He is noted for his unique ability to demonstrate and prove the existence of life in other dimensions.

Called affectionately “the Hardest Working Psychic in America,” Christian Toren is particularly noted for his astonishing accurate ability to see and diagnose health conditions in the body – he is an eyes-open (aka 3-D) Clairvoyant Medical Intuitive. His medical scans provide insights on every part of the body, head-to-toe, AND, he provides it from birth to the present – this allows him to achieve his much-touted diagnostic assessments, and remedies. Dr. Christian Toren von Lähr, Msc.D. has counseled over 2,000 psychologists and psychiatrists, and countless thousands in other medical modalities and fields.

Situated in the Hollywood area of Los Angeles, he has had unique access to the media elite, providing counsel and enlightenment. He is already scheduled throughout 2016 as a radio and live television guest, both in the Hollywood scene, and nationally. He has counseled America’s most notable corporate giants, Fortune 500 companies, and even foreign governments.

Christian Toren combines his charismatic speaking style and past training expertise with authoritative writing skills to author many books and articles, and to deliver national seminars and workshops. He current national 2016 speaking offerings include:

- 1. The provable existence of the Angelic and Nature Spirit Kingdoms of Life,*
- 2. The journey of consciousness which he has titled “Sojourn of the Numinous,” and his ever-popular*
- 3. Unlocking the Soul Mate Mystery.*

Christian Toren’s distinction has been exemplified with an applied gift of Master Clairvoyance, which includes mediumship, psychism, medical clairvoyance, claircognizance, mentorship and spiritual counseling. Christian Toren brings these [demonstrable] skills to all

of his appearances. He describes himself as a comprehensive problem solver, not an entertainment venue.

Christian Toren founded the television series, "*Messenger*," which develops provable experiences of the consciousness in many realms of existence. The program accomplishes its demonstration of consciousness expressed through [embodiments] in informative and demonstrative media formats:

- Film documentaries of interesting ancient locations of spiritual influence in the world
- Biopics of notable speakers and authors on metaphysical subjects and world mysteries
- Live on-site demonstrations of life in, and influence from, other realms of life
- Celebrity live interviews with exploration of their personal metaphysical experiences

This ability to make the fundamentals of spiritual existence provable by demonstrating real, visible proof substantiates his standing as America's Master Clairvoyant. He currently teaches a course SOAR, Master Clairvoyance Development to bring this expertise to new gifted psychics.

Christian Toren has worked in 25 countries. He is a frequent national media guest appearing on the luminary of New Age radio programming, "Coast to Coast AM Radio," and the broadcasting networks of NBC, ABC, CBS and Fox. His featured segments have been heard world-wide on radio, broadcast television, cable and satellite networks. Appearing at major psychic expositions nationally, he draws truth seekers from every corner of the globe who desire a personal experience.

Christian's literature is sought-after for its well-researched and informative content:

- *If You Could Only See ... A Gnome's Story* — in 2006
- *Seeing and Sensing Gnomes ... Hey Looky Hea'h* — in 2007
- *The Magic of Gnomes and Leprechauns ... It's Natural* — in 2008
